Toilets on the pavement violating the DUAC Act

2596. SHRI PARMESHWAR KUMAR AGARWALLA: Will the Minister of URBAN DEVELOPMENT AND POVERTY ALLEVIATION be pleased to state:

(a) whether Government are aware that the toilets constructed on pavement in Delhi are violating Delhi Urban Art Commission Act;

(b) if so, the action taken/proposed to be taken in this regard; and

(c) the details of the proposal to equip the Commission with more powers keeping in view the cosmopolitan nature of Delhi and its future needs?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT AND POVERTY ALLEVIATION (SHRI PON RADHAKRISHNAN): (a) to (c) The information is being collected and will be laid on the Table of the House.

Lack of toilet and sanitation facilities

2597. SHRI SURESH PACHOURI: Will the Minister of URBAN DEVELOPMENT AND POVERTY ALLEVIATION be pleased to state:

(a) whether it is a fact that a majority of population in the country does not have access to toilet facilities in their dwellings and lacks sanitation facilities for disposal of waste water;

(b) if so, what is the magnitude of this problem; and

(c) the manner in which Government propose to tackle this problem?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT AND POVERTY ALLEVIATION (SHRI PON RADHAKRISHNAN): (a) and (b) Based on the information furnished by different State implementing agencies *viz.* Public Health Engineering Departments, Water Supply and Sewerage Boards (as on 31.3.2000), about 60% of the urban population is reported to have access to sewerage and low cost sanitation facilities (about 30% sewerage and about 30% low cost sanitation). A statement indicating Statewise percentage of population having sanitation facilities is enclosed (*See* below).

(c) Urban sanitation being a State subject, it is the responsibility of the State Governments and urban local bodies to plan and implement the sanitation schemes and make adequate budget allocations for the purpose. The provision of toilets facilities in the dwellings and sanitation facilities for disposal of waste water, therefore depends upon the priority accorded to sanitation programme by different State Governments and the availability of adequate funds in the States; budgets.

Statement

Statewise status of Urban Population having access to sewerage and sanitation facilities as of 31.3.2000

(Population in '000) (Tentative)

Remarks

L.C.S.—Low Cost Sanitation, Septic tank etc.

@ The Figures Indicates the sanitation coverage as of 31.3.1997 since the respective state have not furnished the information as of 31.3.2000.

$ In case of U.P. the data on L.C.S. is yet to be received.

Use of fly Ash for Infrastructure development activities

2598. SHRI SUDARSHAN AKARAPU: Will the Minister of URBAN DEVELOPMENT AND POVERTY ALLEVIATION be pleased to state:

(a) whether Government propose to make it mandatory to use fly ash in various infrastructure development activities including construction laying of roads and reclamation of low lying areas;

(b) whether private agencies will also be required to follow this rule;

(c) whether fly ash will be made available to all by Government; and

(d) the details in this regard?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT AND POVERTY ALLEVIATION (SHRI PON RADHAKRISHNAN): (a) and (b) The Ministry of Environment and Forests issued a notification on 14.9.1999 with an aim to conserve top soil and regulating the utilization / disposal of fly ash (Statement-I) (*see* below). Another notification (draft) proposing to amend the above has been issued on 5.11.2002 (Statement-II). (*See* below). The proposed amendment envisages that every construction agency engaged in the construction of buildings within a radius of one hundred kilometers from a coal or lignite based thermal power
